Dear Friends,

On behalf of the Las Vegas City Council and the City of Las Vegas, it is my honor to welcome you to the 11th Annual Chinese New Year in the Desert celebration. I extend warm wishes to the attendees as we come together to celebrate the rich culture and diversity of Asian Americans during the year of the Tiger.

Each year the festival continues to grow and is considered one the largest city-wide celebrations in the United States. The year 2022 is the year of the Tiger, representing strength, confidence and willpower. This year should be a year to gain back strength and vitality after a challenging 2021.

Las Vegas continues to capture the world's imagination as the City where anything is possible and, as such, I share the hope that the year of the Tiger continues to make Southern Nevada a prosperous and vibrant place for all people. The City of Las Vegas appreciates the contributions of the Asian American community to Southern Nevada!

Sincerely,

A handwritten signature in black ink, which appears to read "Stavros S. Anthony". The signature is fluid and cursive.
