Dear Friends:

As the Representative for Nevada's Third Congressional District, it is my pleasure to welcome you to the 11th Annual Chinese New Year in the Desert as we celebrate "The Year of the Tiger!"

This three-day event brings together people from all walks of life to celebrate the most important festival for the Chinese people and enjoy Chinese entertainment, food, and culture. I want to commend the organizers and volunteers for their hard work to highlight our region's cultural diversity and I applaud your continued work to increase awareness about the Asian American Pacific Islander community. Thank you to the performers and attendees for participating and sharing your gifts and talents at this wonderful occasion.

I hope everyone has a great time and takes advantage of all the festivities happening this weekend. Best wishes for a healthy and happy new year.

Kung Hei Fat Choi!

Sincerely,
